Throughout it's 15 years, the **YOT Club** has hosted 14 Holiday Benefits and collected more than 9000 new toys and books for worthy organizations and charities. The **YOT Club's** tag line, "**A Voyage for Children,**" represents it's goal of supporting area youth through community partnership.

Join us at this creative and formal reception. The evening includes entertainment, door prizes and handcrafted decorations provided by the students of **Stratton Meadows Elementary-Dist. 2 & Christmas Stockings for Kids.**

Admission to this upscale event is an **unwrapped toy and 2 books grades K-5**, which will go to underprivileged kids of **Stratton Meadows Elementary-Dist. 2**. For several of these kids, this will be the only Christmas gifts they receive. This year the **YOT Club** is once again teaming up with **Southern Colorado Youth for Christ**, who serve incarcerated and hospitalized teens within our community.
